Donald Trump's health-care plan and where the "repeal and replace" slogan falls short

The health-care plan detailed by Donald Trump begins with the repeal of Obamacare, which it would replace with a series of changes Mr. Trump hopes that Congress would enact. Mr. Trump and some media outlets have characterized the plan as a replacement for the Affordable Care Act, in the spirit of "repeal and replace."

Mandatory EEO policy update effective April 1st 2016

New regulations under the California Fair Employment and Housing Act (FEHA) require employers of five or more employees to update anti-discrimination, anti-harassment, and complaint-investigation policies; update sexual harassment prevention training; disseminate and track receipt of the new policies and future training sessions; and provide the new policies in multiple languages where 10% of the workforce primarily speak a language other than English.
